

20th Sept 2018

Venue: Levels 1 & 4,
Block 2 BSP Campus,
Faculty of Dentistry,
MAHSA University, Jalan
SP2, Bandar Saujana
Putra, 42610 Selangor.

**Live
Surgery**

The Impaction Course is a live patient course. The course begins with lecture and suturing exercises, followed by observation of an experienced surgeon removing impacted third molars. Participants will have ample opportunity to see the surgical procedures. In addition, the procedures can be viewed on a monitor. Hands on course participants will remove at least one but up to 2 impacted wisdom teeth.

Outcome:

At the end of the workshop you will be able to:

1. Understand case selection and when to refer,
2. Handle cases with complications,
3. Demonstrate proper use of instruments,
4. Understand how to use a surgical handpiece,
5. Understand Flap design,
6. Perform Suturing,

Objectives:

1. To share and improve knowledge and skills in the management of impacted wisdom teeth.
2. To provide a platform for networking and exchange of knowledge among dental practitioners.
3. To enable interested dental practitioners to remove impacted wisdom teeth with confidence, efficiency, and safety.
4. To inaugurate a training hub for operative surgical dentistry.

The Impacted Wisdom Tooth Lecture & Practical SURGERY Course
